

### **Important Notice:**

If you have already filed your 2006 or 2007 individual income return as a resident of British Columbia, the Canada Revenue Agency (CRA) will automatically issue you the one-time \$100 BC Climate Action Dividend. You should receive the dividend approximately 4-6 weeks after receiving your Notice of Assessment. For children, who were under the age of 18 as of December 31, 2007 and registered for the Canada Child Tax Benefit and/or the Universal Child Care Benefit, the dividend payment will be automatically issued to their primary caregiver on their behalf.

If you have filed your income tax returns and have yet to receive your dividend, you will need to contact the CRA at **1 866 426-1526** to enquire into the status of your payment. Please ensure that the CRA has your current mailing address and that they show you as having been a resident of British Columbia prior to January 1, 2008.

If you have not filed your 2006 and 2007 income tax returns, or your children are not registered for either federal child care benefit program, you may submit the provincial application form to the Ministry of Finance to receive the Climate Action Dividend. Please allow 4-6 weeks for processing once your application, along with copies of documents supporting your residency in British Columbia on December 31, 2007, has been received.

If you have questions regarding the BC Climate Action Dividend or the application process, please call the Ministry of Finance at **1 877 387-3332**.
